Troop 52
Instructions for Summer Camp
Med Forms and Permission Slip
7/27 – 8/2/2025

Tip 1:
Please review this instruction packet prior to completing the medication forms and permission slip. Many common mistakes can be avoided. This can prevent repeat trips to the doctor's office and reduce last minute stress.

Tip 2:
Start early, you never have as much time as you think you do. Summer will be here before you know it. It is already Spring.

Tip 3:
Please use the **Summer Camp Permission Slip** not the standard Troop Permission Slip used for weekend campouts.

Tip 4:
If for insurance reasons you cant schedule a physical till near the deadline, RELAX. Just let me know you will be late so I don't have to chase you down.

Tip 5:
If your Scout is going on a High Adventure trip **AND** going to Summer Camp, you will need to submit two copies of the med forms. The forms go to the camps, so one copy will not be sufficient.

Tip 6:
If you are unsure about something, don't guess. Email me or call if you have a question.

Please submit the completed forms in hard copy all at once. Sorry, but I will not accept scanned and emailed copies, I am not a copy service!

I know that we all want to save the trees, but please print your forms single sided and please use a **paperclip** rather than staples. Ideally, I would like to receive the forms flat and unfolded. This makes it easier to organize.

Thank you and Happy Camping!
