Summer Adventure . . . Near you . . . For you!

Looking for fun and adventure? *We have it!*

Kayak across crystal-clear lakes . . . climb and rappel on towers and cliffs . . . earn merit badges . . . ride mountain bikes over rugged hills . . . try to shoot bull's eyes at the archery and rifle ranges . . . gaze at starry skies . . . enjoy hearty meals with your friends . . . learn to cook in a Dutch Oven . . . watch deer and other wildlife up close and personal . . . catch a bass, or maybe even a trout! . . . laugh and smile a lot . . . ride a zip line . . . learn to sail . . . learn to grow.

The fun and adventure never end at Camp Mattatuck, Camp Workcoeman, and J.N. Webster Scout Reservation. Accredited nationally as top-notch Boy Scout camps, these facilities offer adventure for everyone - from the newest Scout to the most experience camper.

Scouts may earn dozens of merit badges and awards: Archery ... Art ... Astronomy ... Athletics ... Basketry ... Bird Study ... BSA Lifeguard ... Camping ... Canoeing ... Cooking ... Environmental Science ... Fish and Wildlife Management ... Fishing ... Forestry ... Geology ... Hiking ... Indian Lore ... Insect Study ... Leatherwork ... Lifesaving ... Mammal Study ... Nature ... Rifle Shooting ... Rowing ... Shotgun Shooting ... Small Boat Sailing ... Soil and Water Conservation ... Sports ... Swimming ... Weather ... Whitewater ... Wilderness Survival ... and more and more!

Attend Camp With Your Troop

Most Scouts attend summer camp with their troop. Home troops provide their own leaders (usually Scoutmasters, Assistant Scoutmasters or parents) and camp in their own campsites. This is the best way to attend camp, because you will camp with friends and leaders you know well.

BSA policy requires all troops to provide two registered adult leaders at all times.

To attend summer camp with your home troop, complete the Registration Form on Page 5 and give it and your fees to your Scoutmaster.

Join the Provisional Troop!

Can't attend camp with your troop? Want to spend an extra week or more after your troop attends camp? Want to take part in a Specialty Week program? Then join the Provisional Troop at Camp Mattatuck, Camp Workcoeman, or J.N. Webster Scout Reservation and you can enjoy all the fun summer camp has to offer! You'll live the camp life, earn merit badges and make new Scout friends from all over Connecticut.

Qualified adult leaders are provided by the camps, and their sole responsibility is to ensure that Provisional Scouts get the most out of their summer camp experience.

Fill out the Registration form on Page 5 and mail it with your fees to the Council Service Center.

Connecticut Rivers Council, Boy Scouts of America - General Information

The Connecticut Rivers Council is New England's largest private youth-serving organization. The council delivers

Scouting programs that develop character, citizenship, fitness, and leadership skills to more than 35,000 youth and nearly 10,000 adult volunteers in 127 cities and towns in Connecticut.

It is the purpose of the Connecticut Rivers Council to provide for boys and young adults an effective program designed to build desirable qualities of character, to train in the responsibilities of participating citizenship, to develop in them personal fitness, and to help in the development of American citizens who:

- Are physically, mentally, and emotionally fit
- Have a high degree of self-reliance as evidenced in such qualities as initiative, courage, and resourcefulness
- Have personal and stable values firmly based on religious concepts
- Have the desire and the skills to help others
- Desire to learn the principles of the American social, economic, and governmental systems
- Are knowledgeable about and take pride in their American heritage
- Have a keen respect for the basic rights of all people
- Are prepared to fulfill the varied responsibilities of participating in and giving leadership to American society and in the forums of the world.

The Boy Scouts of America accomplishes this purpose by making its programs available to organizations and groups that have compatible goals, including religious, educational, civic, fraternal, business, labor, and governmental bodies.

The Connecticut Rivers Council maintains an office at 60 Darlin Street, East Hartford, CT 06128. The office is open Monday through Friday 9:00 a.m. to 5:00 p.m. The office staff and professional staff support the sponsoring organizations and units within the boundaries of the council. The office is closed on the following holidays: New Year's Day, Martin Luther King Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving (Thursday and Friday), and Christmas.

Summer Camp Staff Opportunities

Each camp requires a staff of over 50 individuals to deliver the summer adventure of camping. Specialist are needed in all areas of camp: Aquatics, Nature/Ecology, Outdoor Skills, Shooting Sports, Health Lodge, Dining Hall and Kitchen, Trading Post, Mountain Biking, Climbing, and Commissioner's Staff. Salaries are based on position responsibility with consideration given to the applicant's experience and/or certifications.

Applications are available at the Council Service Center and online.

Counselor-in-Training (CIT) Program

Scouts! If you are thinking of serving someday as a member of a camp staff, the CIT Training Program is for you. The CIT program provides a preview of what it's like to serve as a member of the summer camp staff. You'll be trained in the skills required of a good summer camp staff member and work with current staff in delivering the fun and adventure of summer camp to other Scouts. If you are selected to serve as a CIT, you will live at camp for 1 or more weeks! You'll learn program skills and teaching skills during the first week or two, and work with other staff members as you test those skills during the final week. You can also earn a merit badge or two!

For more information, call Joe Smith at 860-289-6669 ext. 240

National Youth Leadership Training (NYLT)

Are you a Senior Patrol Leader, Patrol Leader or a Junior Leader in your troop? Do you expect to be a leader within the next year? If so, talk to your Scoutmaster and attend National Youth Leadership Training (NYLT). Participants learn and practice leadership skills, and come home better prepared to lead troop members and deliver a quality program. Scouts will live and prepare meals by patrols and learn to function as a team without direct adult leader support. Scouts will learn dozens of program ideas that will add sparkle to troop meetings and campouts.

Scouts must be 13 years of age or older, and have earned First Class rank. Scoutmaster approval is required.

Camp Mattatuck, 221 Mt. Tobe Rd., Plymouth, CT

Camp Mattatuck is located among the rolling hills of Litchfield County. Established in 1939, the camp has 500 acres of land, 2 lakes and a pond.

From young to experienced, Mattatuck has something for everyone. Whether it is a Tenderfoot Scout experiencing summer camp for the first time or a 16 yr. old Senior Patrol Leader riding a mountain bike through the mud pit, Camp Mattatuck is a lot of fun.

On the waterfront there is swimming, spring board diving, snorkeling, rowing, sliding seat sculls, canoeing kayaking, English gates, fun-yaks, sailing and the ever popular blueberry lily pads. Whitewater Merit badge goes canoeing and kayaking on the Farmington River. Take a hike around the lake and walk across the floating bridge to the 2nd Island. Hike farther and visit Lost Lake. Try fishing, it is common each week to see a Scout catch a 5 lb. bass or a 24" pickerel.

At the Archery range, our superb staff will help you pop a balloon or hit the water dunk and drench your favorite staff member or scoutmaster. You may even get to shoot at 3-Dimensional deer, boar and bear targets on the Action Archery Trail.

During the morning troop mountain bike rides, Scouts of all ages participate. In the afternoon and evening, older Scouts can attempt riding through the mud pit.

You can climb the most famous Climbing tower in the BSA, featured on the cover of Climbing Merit Badge. Camp offers an artificial rock-climbing tower for climbers of all levels. There are troop bouldering climbs available for all ages. The older Scouts and leaders may try the overhang, the half barrel, the crack climb, the chimney climb or the two helix walls. There is a challenge for anyone while providing success for everyone. Some Scouts may go climb at the nearby White Cliffs.

PROJECT COPE (Challenging Outdoor Personal Experience) is an exciting outdoor activity that can attract and hold older boys in the Scouting program. It is designed to meet the needs of today's Scouts who are seeking greater challenges to their physical and mental abilities. PROJECT COPE is based around eight goals that form the backbone of the program. They are *Teamwork, Leadership, Planning, Communication, Trust, Self-Esteem, Decision Making and Problem Solving*. This is a week-long morning program for Scouts 14 years of age and older, and when space permits leaders may participate also.

Philmont 2009

Philmont Scout Ranch is the Boy Scouts of America's oldest national high-adventure base. It covers 137,000 acres - about 214 square miles - of rugged mountain wilderness in the Sangre de Cristo (Blood of Christ) range of the Rocky Mountains in northern New Mexico.

Philmont's signature program is the **High-Adventure Expedition**. Each 12-day expedition provides opportunities for participants to

- Explore the high country in the Sangre de Cristo Mountains.
- Experience the thrill of climbing mountains over two miles high.
- Participate in a wide array of activities that teach Scouting skills—archaeology, backpacking, camping, climbing, fishing, forestry, horsemanship, Indian lore, and *much* more.
- Develop leadership, group dynamics, wilderness problem-solving, and outdoor skills.

Crews hike Philmont's mountains, spending nights at various backcountry camps. At staffed camps, crews can participate in a variety of programs presented by Philmont backcountry staff. Among these are horseback riding, gold panning, and interpretive programs such as homesteading and mountain man rendezvous.

Once-in-a-lifetime, mountaintop experience awaits our contingent of Scouts or Venturers as each crew conquers the challenge of a Philmont trek!!

The 2009 Council Contingent will consist of 5 crews, maximum of 12 persons each and subject to Philmont's youth/adult ratio. The dates are July 11-25, 2009.

If interested, send in the **Request for Information** form found on Page 6.

Parent Information

Our Camps offer some of the finest outdoor experiences a Scout, his friends, and parents can enjoy anywhere, and here's why:

Staff: Each of our Camping programs is administered by a Nationally Certified Camp Director and all key staff are trained in their areas of responsibility. Our staff members are carefully selected and reflect the principles of Scouting.

Facilities: All of our camps feature facilities in natural surroundings. Our Boy Scout Resident Camps and Specialty Camps are held at locations that are inspected for safety, cleanliness, and program suitability.

Program: It's easy to see the benefits of the programs we offer. Of course, fun is the top priority of every boy. But, while delivering the fun, we manage to add in equal amounts of citizenship, fitness, self-esteem, and character development that are the hallmarks of Scouting.

Family Involvement: Family members may visit camp for the family night barbecue and campfire, which are scheduled as follows - Camp Mattatuck - Wednesday Evenings; Camp J. N. Webster - Friday Evenings; Camp Work-coeman - Saturday Noon.

Financial Aid: A limited number of partial Camperships will be available to families who demonstrate a need. A confidential Campership Application is available at the Connecticut Rivers Council's office. Please send in your Campership Application** along with your Camp Registration form. Camperships are not typically granted in amounts greater than 50% of the camp fee.

Insurance: Connecticut Rivers Council maintains an insurance policy which covers all Scouts while at camp. This policy is an excess policy, which means that benefits are paid in excess of the benefits paid by any other insurance which the individual or group may have. To summarize, if your Scout is injured at camp, your personal insurance becomes primary for coverage with the camp insurance picking up any remaining amount. If no other insurance is available, the council's policy will cover expenses.

Accreditation: Each of our camps undergoes one or more safety inspections prior to and during operation. Each of our resident camps were certified as Nationally Accredited Camps by the BSA during the 2007 summer camp season.

Cancellation of Programs: The Connecticut Rivers Council reserves the right to cancel any program. Youth having made reservations for any cancelled program will be given the opportunity to make reservations for any other program being offered.

Refund Policy: Refunds will be given up to two (2) weeks prior camp with a written notification, and until the day of arrival with a written notice from a doctor in case of illness. All refunds for resident camp are subject to a \$45 service charge. Refunds will not be given for any requests received after the start of the camp session in which the camper was scheduled to attend.

Non-Discrimination Policy: The programs of the Connecticut Rivers Council are available to all boys without regard to race, color, religion, disability, or national origin. Any youth member may attend any age appropriate Camp conducted within the Council, or any combination of Camps.

Confirmation Packets: Confirmation packets are mailed to all Boy Scouts and Venturers who register to attend camp as provisional (individual) campers or specialty camp participants. Information for boys attending camp with their troop is provided to their troop leaders.

Health Forms: Health forms are required for all youth and adults attending camp. Health forms** have been revised to comply with state Department of Public Health regulations. Health forms must be completed fully, with all required signatures. Parents should make a photocopy of their son's health form before submitting it to the camp or unit leader.

All campers must have a physical examination within 36 months prior to camp. (All leaders over the age of 40 must have an annual examination.) Health forms must be updated and signed annually by parents or guardians and within 36 months prior to camp by a physician.

Medications: The state Department of Public Health requires that an "Authorization for the Administration of Medications" form be completed for all campers who receive medications (including over-the-counter medications) at camp. This form must be signed by a physician **and** a parent or guardian.

** Campership Applications and Health forms are available from the Council Service Center or at www.ctrivers.org. Click Council Camping, go to **Forms**.

Specialty Camps

Trail to Eagle camps are open to all Scouts who have earned First Class rank. These fun-filled weeks allow Scouts to concentrate on those sometimes "hard to get" Eagle-required merit badges. All Scouts are placed in a "Trail to Eagle" troop at camp and work together as a troop, attending merit badge sessions and participating in other fun-filled camp programs. Experienced leaders will help Scouts understand how to select and conduct an Eagle Scout Service Project and how to prepare for an Eagle Scout Board of Review.

Camp Workcoeman July 27 - August 2

Extreme Adventure Week is a new program at Camp Mattatuck and is designed to give older scouts a chance to experience some of the more challenging aspects of the outdoors. Scouts must be 13 years of age or older to participate and the program is open to both Venture Scouts and Boy Scouts. The week includes a variety of in-camp activities along with a variety of day trips. Activities during the week include: ✪ Waterskiing ✪ 14-mile Mountain Bike Trek ✪ Whitewater Kayaking ✪ C.O.P.E. Ropes Course ✪ Shotgun Shooting and Muzzle Loading ✪ Geocaching and Orienteering ✪ Rock Climbing on our famous climbing tower and on real rock cliffs.

Camp Mattatuck August 3-9

OA Rendezvous offers older Order of the Arrow members an innovative leadership and high adventure option and challenges them to experience first-hand, the interrelationship between outdoor recreation and environmental stewardship. The OA Rendezvous combines the spirit of the adventure with an interactive backcountry program into one experience. Participants will: ✪ apply new and practical backcountry skills in direct support of council camps ✪ learn to cooperate and to work in unity toward environmental stewardship ✪ enhance one's understanding of the Order of the Arrow ✪ experience fun and inner satisfaction from a unique high adventure experience.

J.N. Webster Scout Reservation August 3-9

AdVenture Camp is a challenging program for Scouts 13 or older and Venturers. Participants select one of four core programs.

- The Venturing core offers opportunities to earn the Ranger Quest Award, and requirements for the Ranger and Bronze Award. Participants enjoy rock climbing, 1st aid training, and team building.
- The NRA Shooting Sports core offers archery, black powder shooting, and opportunities to earn the Venturing Marksmanship Award and NRA Award.
- The Aquatics core offers advanced whitewater kayaking and an opportunity to earn the BSA Lifeguard Award.
- The Enviro core offers Project Oceanography, the conservation challenge, and advanced nature merit badges.

An exciting and fun-filled week of Scouting awaits you at Camp Workcoeman. Since 1924 thousands of Scouts have experienced Scouting at Camp Workcoeman. While the Scouting program has changed, the basics of Scouting have remained the same. The week begins with a rousing campfire led by the whacky Workcoeman Staff. A super week of Scouting adventure will begin each day with a polar bear swim in the morning and end with a variety of fun and challenge. Every day at Camp Workcoeman is filled with Scouting adventure, new challenges and friends new and old.

A Premiere Scouting Experience—Each morning Scouts will spend time learning the basics in the Scout Skills Program for first timers or working on the vast number of merit badges for older Scouts. Time is spent in troops activities at the rifle, shotgun, or archery ranges. **The feature area of Camp Workcoeman is the waterfront.** West Hill Lake is one of the finest lakes in Connecticut. Scouts are able to swim, snorkel, sail, kayak, canoe and test their skills with SCUBA. The program also includes endless experiences in Nature/Ecology, Scoutcraft and Handicraft. Earning First Aid merit badge or BSA Lifeguard are skills that will last forever.

Workcoeman Adventure—The challenges continue with a **25 mile overnight Bike Trek to Camp Barbour.** **Discover SCUBA** introduces you to the thrill of diving in open water. **Project COPE** is a series of obstacles and challenges designed for developing teamwork skills in groups. The climbing wall tests your skills and strength. Speaking of strength, you can tackle the challenge of the Mile Swim, and Iron Man Competition. All this in a week of adventure and challenge!

Discovery Program Merit Badge Clusters—Each week a set of specialty merit badges will be offered to older Scouts as a means to explore and discover career opportunities otherwise unavailable in one's Scouting experience. Some merit badges will include field trips into the surrounding community.

Visit our website at www.campworkcoeman.org.

Boy Scouts! Save \$100 on a 2nd week of camp!

That's Right! A **\$100 savings** off the regular camp fee when you attend a second week of summer camp in 2008.

- As a **Provisional Camper**: Your troop has already attended camp and you want to go for another week*. You can also use the incentive to attend *Trail to Eagle*, or any other specialty week (excluding NYLT).
- As a **Troop Camper**: You are attending a second week with your own troop.

\$100 Camp Certificates will be issued at the end of a Scout's first week at any Connecticut Rivers Council camp.

You can use this certificate **ONLY** at a Connecticut Rivers Council camp for your 2nd week - **Mattatuck, Webster, or Workcoeman.**

* If your troop attends the final session of any camp, you will need to pay the full camp fee for the *first session* you attend.

J.N. Webster Scout Reservation, 231 Ashford Center Rd., Ashford, CT

June Norcross Webster Scout Reservation is located in scenic Ashford, Connecticut. Established in 1964, the reservation occupies 1,200 acres of land that is home to approximately 1,230 Boy Scouts and Cub Scouts each summer during its six-week season.

JN WEBSTER SR

An Invitation to Adventure:

Sunday's rousing welcoming campfire, led by the spirited J.N.W. staff, will whet your appetite for the exciting, fun-filled week of Scouting ahead of you. From polar bear swim in the early morning mist to a nature trek as evening shadows fall, every day at J.N.W. is packed with outdoor adventure, new challenges, and fun with new friends and old.

Scouting at its Best:

You'll spend your morning working on some of the over thirty outdoor merit badges that are available or learning basic Scout skills at First Class Path. After lunch, it's time to head for the rifle, shotgun, and archery ranges to hone your marksmanship skills, or into the lake for some swimming, boating, or for a spirited game of watermelon water polo. How about a hike or a mountain bike ride through the 1,200 wooded acres of the reservation, or an overnight trek to the Outpost? Whether it's First Aid merit badge or BSA Lifeguard, the program here will help you develop skills that will last a lifetime.

High Adventure:

Are you up to the mental and physical challenges of rock climbing? Try your hand at the cargo net and climbing wall. Climbing merit badge culminates with scaling the challenging faces of Wolf Rock in nearby Mansfield. For the hardy, there are the challenges of the mile swim and the Iron Man competition, as well as the 25-mile mountain bike trek through Natchaug State Forest.

Whatever your interest, the staff at J.N. Webster Scout Reservation stands ready to deliver the Scouting program you have come to expect in every area of camp!

Visit our website at www.jnwebster.org for more information.
